

From the thruway (90E) take the Utica exit, #31. Go straight through the toll booth up and over an overpass. Follow signs to Genesee Street South, Downtown Utica. Staying in the right hand lane once on Genesee Street, follow signs to BROAD Street (right hand "exit" just after Babe's & Friendly's Restaurants on the left). Once you take the BROAD street exit, stay in the left hand lane as BROAD St exits under Genesee Street to the left. Follow BROAD Street through several lights crossing over SR-5S. You'll be on Broad street for about a mile, mile and a half. Near the end of BROAD Street Casa imports will come up on the left and Pepsi on the right. At the end of BROAD street, take a RIGHT onto DWYER Ave and at the immediate light, take a RIGHT onto CULVER Avenue.

Proctor Park Soccer and Baseball fields are on the left, 1.9 miles ahead on CULVER Avenue. NOTE: There are two Proctor Parks on Culver Ave - the 1st one you'll pass will look like a big open field with a walking path (across from Cafe Canole). Continue up the hill past the 1st Proctor Park and on the left you'll see a good size boulder with "1909 Thomas Proctor Park" painted on it. The entrance to the park is right next to the rock on the left (immediately across from GIRARD Street). Parking is at the bottom of the hill and the field is the 1st large soccer field on the right after the parking lot.
